

Richard L. Williams Memorial Scholarship

One or more scholarships are awarded to post degree (Secondary) students who have a declared teaching area in Chemistry or Physics. Preference will be given to students who have demonstrated involvement and/or leadership in the community and have an outstanding grade point average in their chemistry or physics courses.

Approval of the recipients will be made by the Senate Committee on Awards upon the recommendation of the Faculty of Education.

Check the following boxes that are applicable:

- I am enrolled in a post-degree (Secondary) program with a declared teaching area in Chemistry or Physics.
- I have attached a letter outlining my involvement and/or leadership in the community.

Incomplete applications will not be considered.
