Step 1: Online UVic application by February 28

You may apply online at My UVic application

Notes:
- It is important to upload your statement of intent and summary of related experience at the time you submit the application. If you instead decide to apply early and later upload these items separately (by Feb. 28), then you must allow time for a delay of 2-3 weeks before your application will be able to accept subsequently-uploaded documents.
- Please confirm your January-April 2019 course registration(s) before applying. It is important to include that term’s course information accurately in the “in-progress courses” section of the application.
- If you are applying for the off-campus program in Cranbrook, BC select: East Kootenay Teacher Education program.
- List every college and university at which you’ve registered under ‘post-secondary institutions attended.’ This includes exchange studies, studies transferred to another institution, Advanced Placement and International Baccalaureate studies, if applicable. The IB declaration appears under ‘high schools attended.’ The AP declaration appears as “College of Advanced Placement.
- For each college/university attended, select “no credential received” even if you did receive a certificate, diploma or non-Bachelor’s degree credential. Returning UVic students: please update the “credential received” field to “no credential received” for past institutions as well. Note: applicants with a Bachelor’s degree are not eligible for admission to this program (see the Elementary B.Ed. Post-Degree Professional Program instead).
- Late applications (i.e. those received after February 28) will be considered only if space remains in the quota after all on-time, eligible applicants have been admitted. In 2018, we did not have space to consider late applicants.

If you have questions about the application or application fees, write to:
- Undergraduate Admissions at adms6@uvic.ca, if you are a new UVic applicant.
- Undergraduate Records at reco2@uvic.ca, if you are a continuing or returning UVic student.

Step 2: Official transcripts by February 28 and May 31

Submit an official transcript from every college and university that you’ve attended, including withdrawals, incomplete, failed, repeated studies and attendance as an exchange student. We cannot review your application if any transcripts are missing.

Official transcripts are those sent directly from the issuing institution to UVic. Transcripts in languages other than English or French must be submitted together with notarized English translations.

Check with your institution about how and when to place your transcript order to meet our transcript deadlines. Processing and mail delivery times will vary. Order as early as possible. Your application will be considered ‘late’ if any transcripts are received after the published deadlines.

Notes:
- This includes College of Advanced Placement (AP) and/or International Baccalaureate (IB).
- UVic students do not need to order UVic transcripts since we have access to those records.
- UVic students who have studied elsewhere must submit, or re-submit, transcripts to UVic Undergraduate Records:
  - if the studies occurred since your last attendance at UVic, or
  - if you’ve been absent from UVic for more than three years (previously-submitted transcripts will have been destroyed).

Step 3: Experience requirement by February 28

You’ll need a minimum of 75 hours of practical experience working with groups of children or youth at the age level you wish to teach (ages 5 – 12 for elementary). It can be a total of various experiences put together. A substantial number of relevant experience hours is generally favourable for your application, as admission is competitive, and, in the event of a GPA tie, we will use experience to determine the successful candidate. Although we consider all relevant experiences, we strongly recommend current experiences within the last five years, preferably some within the last two years.

Typical experiences for applicants include coaching team sports, working as a summer camp counsellor, group tutoring, or working with church groups or other youth groups, after school care, working in school classrooms as a volunteer or assistant. Experience in international settings is valuable, but we also recommend experience in domestic settings. A variety of experiences is encouraged to better prepare for the program. If you wish to pursue volunteer opportunities, go to the Volunteer Victoria website or a volunteer association in your area.

Please note that babysitting, caregiving, and parenting, while worthwhile, will not be considered as evidence of meeting the experience requirement.

A. Statement of intent (400-500 words, typed) Upload when you submit the application (by Feb. 28)
This statement needs to address the following:
- why you wish to become a teacher,
- how your life experiences (employment, volunteer activities, work with diverse groups of children or youth, special skills or talents, leadership roles) are relevant to teaching, and
- why you think these experiences are appropriate preparation for a career in teaching.

B. Summary of related experience (use the format provided on page 7) Upload when you submit the application (by Feb. 28)
Include your full name, UVic student number (if you have one), the name of this program and a summary of related paid or unpaid experience (list most recent experience first). The summary of each experience should include: start and end date, name of workplace/organization, brief description of what you did, and the total number of hours spent working directly with children or youth. List any relevant skills, certificates, etc.

C. Reference forms (two) Each referee to email directly to UVic (by Feb. 28)
The reference forms must be from people who have observed you working with groups of children/youth in educative ways. They cannot be completed by a relative, friend, co-worker or a person you have supervised. Referees must use the form provided; reference letters are not acceptable. References must meet the above criteria or your application will be considered incomplete and ineligible.
- Obtain the reference form here. To avoid your form being received in an unreadable format: use the latest version of Adobe Acrobat Reader (free) to complete the top portion and save it to a desktop computer (not a phone or tablet) with the following file name: “NEW/RETURNING FIRST INITIAL LASTNAME 4-Yr ELEM” depending on whether you’ll be new to UVic or a returning UVic student (ex. NEW J SMITH 4-Yr ELEM).
- Email the form to your two referees, asking them to follow the instructions on the form to complete it and email it directly to educapp@uvic.ca.

Note: Only applicants who are conditionally admitted will have their experience reviewed. Please do not assume that you have satisfied this experience requirement based on applying or being wait-listed for program admission in a previous year.
Optional: Supplementary form for First Nations, Métis and Inuit applicants

The Faculty of Education is committed to increasing the number of First Nations, Métis and Inuit teachers and has reserved 5% of the positions in teacher education programs for applicants who meet the Faculty of Education’s admission requirements. If you have Aboriginal ancestry, and would like to be considered for this quota, please submit the supplementary form to the address provided below.

Check your status and checklist

Log into My UVic Application. Use the checklist to see that all transcripts and supporting documents have been received.

Notes:

่าว If you are attending the same institution (other than UVic) in the January to April 2019 term as you are in the Fall 2018 term, you’l see at least two entries for that institution on the checklist: one with a February 28 deadline and another with a May 31 deadline.

่าว It can take two to three weeks from the time an item is received at UVic for it to be recorded on the checklist.

่าว The date a transcript is received at UVic determines whether it is considered on time or late, not the date that UVic staff upload it to your checklist.

Application status updates

Education Advising will email you at least once between March and mid-June.

March to April: Education Advising will email you if you are not eligible for admission (based on missing requirements or missing documents).

May to mid-June: Once second term grades (due May 31) have been received and reviewed for all applicants, Education Advising will email you to: make an offer of admission, to tell you that you’ve been placed on a waitlist, or to explain why you are not eligible for admission.

July to August: If you are on the waitlist and a seat becomes available, Education Advising will email you an offer of admission.

Note: Admission offers are time sensitive. If you will not have email access for more than one week, contact Education Advising.
Selection

Conditional admission based on academic requirements: Applicants who apply, submit all transcripts, submit all other required items, and satisfy all academic requirements by the published deadlines will be ranked by their 12-unit grade point average and selected to the program (offered conditional admission) starting with the highest GPA until all program seats are filled.

- The 12-unit/sessional GPA is calculated on the most recent sessional GPA at April 30, 2019. If the most recent session is fewer than 12 units, previous session(s) averages will be included until a total of 12 units is reached.
- 12 UVic units is equivalent to 8 typical, half-year courses.
- While the minimum required GPA is 3.00 (9-point scale, UVic C+), admission is competitive and the actual GPA cut-off may be higher.
- The number of seats available for new-to-faculty, year two applicants will depend on the number of year-one elementary education students eligible to progress to year two. That number won’t be known until May.

Admission confirmed based on experience requirement: Applicants offered conditional admission as above must satisfy the Teacher Education Office’s experience requirement in order for their offer of admission to be confirmed. (See “Experience Requirement” above.). Note: Only applicants who have been conditionally admitted will have their experience reviewed.
