You may apply online at [My UVic application](#) (apply for undergraduate level studies).

Notes:

- It is important to upload your **statement of intent** and **summary of related experience** in the required format at the time you submit the application. If you instead decide to apply early and then subsequently upload these items separately (by Jan. 2), **you must allow for a delay of 2-3 weeks** before your application will be able to accept subsequently-uploaded documents.
- Please confirm your **January-April 2020 course registration(s) before applying**. It is important to include that term's course information (as well as the Fall 2019 term) accurately in the "in-progress courses" section of the application.
- If you are applying for the off-campus program in Cranbrook, BC (2-3 year program format), select: [East Kootenay Teacher Education program](#).
- List every college and university where you've registered under "post-secondary institutions attended." This includes exchange studies, studies transferred to another institution, Advanced Placement and International Baccalaureate studies, if applicable. The IB declaration appears under "high schools attended." The AP declaration appears as "College of Advanced Placement."
- Late applications (i.e. those received after January 2) will be considered only if space remains in the quota after all on-time, eligible applicants have been admitted. In 2019, we did not have space to consider late applicants.

If you have questions about the application or application fees, write to:

Undergraduate Admissions at adms6@uvic.ca, if you are a new UVic applicant.

Undergraduate Records at reco2@uvic.ca, if you are a continuing or returning UVic student.

Step 2: Official transcripts by January 31 and May 31

Submit an official transcript from every college and university that you've attended, including withdrawals, incomplete, failed, repeated studies and attendance as an exchange student. **We cannot review your application if any transcripts are missing.**

Official transcripts are those sent directly from the issuing institution to UVic. Transcripts in languages other than English or French must be submitted together with notarized English translations.

Check with your institution about how and when to **place your transcript order to meet our transcript deadlines**. Processing and mail delivery times will vary. Order as early as possible. Your application will be considered 'late' if any transcripts are received after the published deadlines.

Notes:

- This includes College of Advanced Placement (AP) and/or International Baccalaureate (IB).
- UVic students do not need to order UVic transcripts since we have access to those records.
- UVic students who have studied elsewhere must submit, or re-submit, transcripts to UVic Undergraduate Records:
 - if the studies occurred since your last attendance at UVic, or
 - if you've been absent from UVic for more than three years (previously-submitted transcripts will have been destroyed).

Have your transcript mailed to:

Undergraduate Admissions & Records
University of Victoria
PO Box 3025 STN CSC
Victoria, BC V8W 3P2 Canada

OR

Have your transcript couriered to:

Undergraduate Admissions & Records
University Centre, UVic

Transcript Deadlines:

January 31: deadline for official transcripts showing in-progress course registration in the January to April 2020 term.

May 31: deadline for official transcripts showing grades for courses attempted January to April 2020.

June 30: At least one of your transcripts must indicate "degree granted/awarded." If your degree won't be conferred until May/June 2020 (based on grades to April 2020), an additional transcript showing proof of degree must be submitted by **June 30 if applicable**.

Step 3: Graduate student status letter, if applicable

You must not be registered in a graduate program, or any other program, concurrently with this program. If you're currently registered in a graduate program, provide a letter from your university's graduate records or registrar's office stating that your graduate program requirements will be completed by August 30, 2020, or that you'll be taking a leave of absence from that program for the duration of this program (September 2020 to December 2021). Submit this to the Records Clerk (reco3@uvic.ca) if you are a past/current UVic student, or to the Admissions Clerk (adms6@uvic.ca) if you are new to UVic. Due: **February 28**.

Step 4: Experience requirement (January 2 deadline)

You'll need a minimum of 75 hours of practical experience working with groups of children or youth at the age level you wish to teach (ages 5 – 12 for elementary). It can be a total of various experiences put together. A substantial number of relevant experience hours is generally favourable for your application, as admission is competitive, and, in the event of a GPA tie, we will use experience to determine the successful candidate. Experiences listed must be within the past four years, and some must be within the past two. Experience in international settings is valuable, but we also require experience in domestic settings. A variety of experiences is encouraged to better prepare for the program. If you wish to pursue volunteer opportunities, go to the Volunteer Victoria website or a volunteer association in your area. If you are hoping to pursue teaching in a French Immersion environment, we would recommend experience in a French Immersion setting.

What qualifies as experience with respect to your application? Note these can be either paid or volunteer experiences, or a combination of both.

Typical experiences for applicants include:

- coaching team sports
- working as a camp counsellor
- working in after school programs
- leading summer programming for youth
- group tutoring
- working with church groups or other youth groups
- working in school classrooms as a volunteer or assistant (cannot include work as a peer tutor while in high school or teaching at the college or university level)

What does **not** qualify as experience with respect to your application?

- Peer tutoring as a high school student
- Teaching or being a TA at the college or university level
- Parenting, babysitting or caregiving
- Individual tutoring

A. Statement of intent (400-500 words, typed)

Upload when you submit the application (by Jan. 2)

This statement needs to address the following:

- why you wish to become a teacher,
- how your life experiences (employment, volunteer activities, work with diverse groups of children or youth, special skills or talents, leadership roles) are relevant to teaching, and
- why you think these experiences are appropriate preparation for a career in teaching.

B. Summary of related experience (use the format provided on page 7)

Upload when you submit the application (by Jan. 2)

Include your full name, UVic student number (if you have one), the name of this program (ELEM PDPP) and a summary of related paid or unpaid experience (list most recent experience first). The summary of each experience should include: start and end date, name of workplace/organization, brief description of what you did, and the total number of hours spent working directly with children or youth. List any relevant skills, certificates, etc. You must use the format provided in these application instructions or your application will be considered incomplete.

C. Confidential Reference forms (two)

Each referee to email directly to UVic (by Jan. 2)

The confidential reference forms must be from people who have recently observed you working with groups of youth in educative ways. Referees must use the form provided; reference letters are not acceptable. References must meet the above criteria or your application will be considered incomplete and ineligible. Both references must recommend or highly recommend your application and results of references are not released to applicants.

References **cannot** be:

- relatives or other family members
- friends,
- co-workers,
- someone you taught or tutored,
- someone you have supervised,
- somebody who is also applying to a UVic teacher education program.

[Obtain the reference form here.](#) To avoid your form being received in an unreadable format: use the latest version of *Adobe Acrobat Reader* (free) to complete the top portion and save it to a desktop computer (not a phone or tablet) with the following file name: “**NEW/RETURNING FIRST INITIAL LASTNAME ELEM PDPP**” depending on whether you’ll be new to UVic or a returning UVic student (ex. NEW J SMITH SEC PDPP).

- Email the form to your two referees, asking them to follow the instructions on the form to complete it and email it **directly to educapp@uvic.ca**.

Note: Applicants may also be invited to meet with the Teacher Education Office during their experience review. Only applicants who are conditionally admitted will have their experience reviewed. **Please do not assume that you have satisfied this experience requirement based on applying or being wait-listed for program admission in a previous year.**

Optional: Supplementary form for First Nations, Métis and Inuit applicants

The Faculty of Education is committed to increasing the number of First Nations, Métis and Inuit teachers and has reserved 5% of the positions in teacher education programs for applicants who meet the Faculty of Education’s admission requirements. If you have Aboriginal ancestry, and would like to be considered for this quota, please submit the [supplementary form](#) to the address provided below.

Check your status and checklist

Log into [My UVic Application](#). Use the checklist to see that all transcripts and other required items have been received.

Notes:

-  If you are attending the same institution (other than UVic) in the January to April 2020 term as you are in the Fall 2019 term, you'll see at least two entries for that institution on the checklist: one with a January 31 deadline and another with a May 31 deadline.
-  It can take two to three weeks from the time an item is received at UVic for it to be recorded on the checklist.
-  The date a transcript is received at UVic determines whether it is considered on time or late, not the date that UVic staff upload it to your checklist.

Application status updates

Education Advising will email you at least once between April and mid-June.

- April – May:** to make a conditional offer of admission, to explain why you are not eligible for admission, or to cancel your application if it is incomplete.
- May – June:** Education Advising will email you to confirm your offer of admission, to withdraw a conditional offer of admission, or to tell you that you have been placed on a waitlist.
- July – August:** If you are on the waitlist and a seat becomes available, Education Advising will email you an offer of admission.

Note: Admission offers are time sensitive. If you will not have email access for more than one week, contact Education Advising.

Selection

For September 2020 Entry, admission is based primarily on GPA as long as experience requirements are met.

Conditional admission based on academic requirements: Applicants who apply, submit all transcripts, submit all other required items, and satisfy all academic requirements by the published deadlines will be ranked by their 30-unit grade point average and selected to the program (offered conditional admission) starting with the highest GPA until all program seats are filled.

- *The 30-unit GPA is calculated on the most recent 30 units of courses attempted to December 31, 2019.*
- *30 UVic units is equivalent to 20 typical, half-year courses.*
- *While the minimum required GPA is 3.00 (9-point scale, UVic C+), admission is competitive and the actual GPA cut-off may be higher.*

Admission confirmed based on experience requirement: Applicants offered conditional admission as above must satisfy the Teacher Education Office's experience requirement in order for their offer of admission to be confirmed. (See "Experience Requirement" above.) **Note:** Only applicants who have been conditionally admitted will have their experience reviewed.

We are reviewing our selection criteria for the September 2021 intake.
