

Pre-admission requirements handout: Camosun College

Bachelor of Education Elementary Curriculum – year two entry

Faculty of Education

University of Victoria

This handout lists courses offered at **Camosun College** that you can take to make yourself eligible for admission to the University of Victoria's four-year elementary teacher education program. The handout is based on the [September 2024 University of Victoria Calendar](#), and current information on the [Camosun College](#) website, and the online [BC Transfer Guide](#) (BCTG). This information is subject to future change.

Tip! When planning your course combinations, it is important to confirm that they do not have overlapping content and that you can receive credit at both the institution(s) offering the courses and UVic. Refer to course descriptions on institution websites for possible notes related to combining courses. Refer to the BCTG (linked above) for information about how courses transfer to UVic as well as notes about course combinations that will not receive credit. **It is your responsibility to check the BCTG** for the term(s) you are taking coursework to ensure you can expect transfer credit. Note: official transfer credit is still only confirmed by Undergraduate Admission upon admission to UVic.

See **admission requirements** on our program website: <https://www.uvic.ca/education/curriculum/undergraduate/home/programs/elmbed/index.php>

What do I need to be eligible for admission?

To be considered for entry to **year two**, you must satisfy both academic and experience requirements. More details are provided on the program website (see link above).
