

# Pre-admission requirements handout: Thompson Rivers University

Bachelor of Education Elementary Curriculum – year two entry  
Faculty of Education  
University of Victoria

This handout lists **on-campus** and **online courses** offered from **Thompson Rivers University** that you can take to make yourself eligible for admission to the University of Victoria's four-year elementary teacher education program. The handout is based on the [September 2024 University of Victoria Calendar](#), the [Thompson Rivers University](#) website, and the online [BC Transfer Guide](#). This information is subject to future change.

**Tip!** When planning your course combinations, it is important to confirm that they do not have overlapping content and you can receive credit at both the institution(s) offering the course(s) and UVic. Refer to course descriptions on institution websites for possible notes related to combining courses. Refer to the BCTG (linked above) for information about how courses transfer to UVic as well as notes about course combinations that will not receive credit. **It is your responsibility to check the BCTG** for the term(s) you are taking coursework to ensure you can expect transfer credit. Note: official transfer credit is still only confirmed by Undergraduate Admissions upon admission to UVic.

See **admission requirements** on our program website: <https://www.uvic.ca/education/curriculum/undergraduate/home/programs/elmbcd/index.php>
