

2026 Master of Education in Curriculum Studies

Advance your professional practice and deepen your understanding of curriculum, learning, and educational leadership. Designed for working educators, this flexible program supports you in becoming a thoughtful curriculum leader in your community.

Program Highlights:

- **Hybrid delivery** – a blend of online and in-person learning
- **Teacher-friendly schedule** – full-time or part-time options
- **Curriculum leadership focus** – develop expertise to design & lead learning
- **Starts August 2026** – first courses offered face-to-face this summer
