

Pre-admission requirements handout

Bachelor of Education Elementary Curriculum
Faculty of Education
University of Victoria

This handout lists courses offered at **North Island College** that you can take to make yourself eligible for admission to the University of Victoria's four-year elementary teacher education program. The handout is based on the [September 2018 University of Victoria Calendar](#), the [North Island College](#) website, and the online [BC Transfer Guide](#). This information is updated annually.

Consult UVic Education Advising if you want to take a combination of courses from more than one institution or if you have taken courses prior to 2018/19 that aren't listed here.

For detailed information about the admission, experience, and program requirements, refer to:

- **2018 UVic Calendar** at <<https://web.uvic.ca/calendar2018-09/undergrad/education/BEEd-elementary.html#>>, and the
- **Faculty of Education website** at <<https://www.uvic.ca/education/curriculum/undergraduate/home/programs/elmbed/index.php>>.

What do I need to be eligible for admission?

To be considered for entry to year two, you must satisfy both academic and experience requirements. More details are provided on the faculty website and the UVic calendar (see above for links).

Academic requirements:

- approved coursework in each of English, Canadian studies, mathematics, laboratory science
- minimum C+ average in two approved math courses
- minimum C+ grades in each approved English course
- sessional grade average of a least C+ based on a minimum of 12 UVic units or eight half-year courses.

These requirements must be completed by **April 30th** of the year of application so that a final transcript is received at UVic by May 31.

Experience requirement

You'll need 75 hours of relevant experience working with groups of children in educative ways. Babysitting experience would not satisfy this requirement, but working as a camp counsellor would, for example.

Approved English

Select **two** from:

- ENG 115 Essay Writing and Critical Analysis
or ENG 116 Essay Writing and Indigenous Perspectives
or ENG 117 Academic Writing
- ENG 120 Introduction to Literature: Short Stories and the Novel
- ENG 121 Introduction to Literature: Poetry and Drama
- ENG 125 Composition & Indigenous Literature I

Notes:

- You'll need a grade of C+ or higher in each course.
- We can't accept technical or creative writing courses.
- We can't accept two English composition/academic writing course. At least one must be a literature studies topic.

Approved Canadian studies

Choose courses that focus on the Canadian experience and cover topics taught in the BC elementary social studies curriculum.

Select **two** from:

- HIS 111 Canadian History: Pre-Confederation
- HIS 112 Canadian History: 1867 – Present
- HIS 251 History of Women in Canada, 1920 – Present
- POL 119 Canadian Politics

Notes:

- Pan-Canadian topics are recommended.
- No more than one approved regional studies course will be accepted.
- We can't accept Canadian literature or fine arts courses.

Approved mathematics

Select **two** from:

- MAT 102 Calculus for Life Sciences
- MAT 151 Finite Mathematics
- MAT 162 Math for Elementary Education I
- MAT 163 Math for Elementary Education II
- MAT 181 Calculus I

Notes:

-  You'll need a C+ average or higher on two mathematics courses to demonstrate competency in mathematics.
-  We suggest you take MAT 162 and 163.
-  We may be able to accept **one** statistics course if that course was taken from a mathematics department.
-  We won't accept courses completed more than 10 years prior to program entry.
-  We won't accept pre-calculus or introductory college algebra.

Approved laboratory science

We suggest that you choose courses from two subjects to develop a more comprehensive science background. You'll teach all science subjects in your elementary classroom. The courses you take must include a laboratory component because elementary teachers are encouraged to take a field-based, hands-on approach to teaching sciences.

Select **two** from:

- BIO 102 Principles of Modern Biology II
- BIO 103 Principles of Modern Biology I
- BIO 111 Concepts in Biology II (Inhabiting the Earth) – see notes

- BIO 160 Human Anatomy & Physiology I

- CHE 110 Chemical Principles I
- CHE 111 Chemical Principles II

- SSA 100 Introduction to the Solar System and Space Exploration

Notes:

-  We recommend courses with a weekly 3-hour lab, but will accept those that average at least 1.5 hours lab time a week.
-  We'll accept BIO 111 if it is taken before BIO 102, 103 or 160, or if it's paired with CHE 110 or SSA 100.
-  We won't accept more than one human anatomy/physiology course.
-  We won't accept courses completed more than 10 years prior to program entry.

Approved academic electives

This program includes **two academic electives** related to topics taught in BC schools. You can take these electives in year one or in a summer session following years one, two or three. **Tip!** You must complete both academic electives before entering year four.

Notes:

-  Additional Canadian studies, English, and/or laboratory science courses may be taken as academic electives.
-  We suggest that you take one or more French courses because you'll teach French in your classroom. The BEd program includes EDCI 469 Teaching Oral French. While a university French course is not a prerequisite, it would be beneficial.
-  Examples of approved academic subjects include: anthropology, biology, chemistry computer science, First Nations Studies, gender/women's studies, geography, geology, history, physics, political studies, psychology, sociology, theatre.
-  Use the BC Transfer Guide www.bctransferguide.ca to confirm that the courses you want to take transfer to UVic.
-  If you have doubts about your choices, consult UVic Education Advising.

How and when to apply

February 28 – Application deadline. For information on how to apply, visit the Faculty of Education website starting in the fall. **Tip!** Submit your application in January or February after you've finalized your January – April course registration.

February 28 – First transcript deadline. Transcripts are required for all courses attempted to December 31 *and* all courses in-progress to April 30.

May 31 – Final transcript deadline. Transcripts are required for all courses attempted to April 30 (course completion deadline).
