### Program admission requirements

1. Admissibility to the university. The Undergraduate Admissions and Records office determines eligibility for admission to UVic.
2. An acceptable undergraduate Bachelor's degree recognized by the University of Victoria.
3. 3 units of approved English (literature and composition or all literature).
4. Demonstrated competency in written English (grade requirement; see page 2).
5. A sessional grade-point average (GPA) of at least 3.00/9-point scale (UVic C+). See page 2.
6. A 30-unit GPA of at least 3.00/9-point scale (UVic C+). See page 2.
7. Approved academic studies in one or two teachable subjects relevant to the BC curriculum. The list of available subjects is provided on the program website at [www.uvic.ca/education/curriculum/undergraduate/home/programs/secpdp](http://www.uvic.ca/education/curriculum/undergraduate/home/programs/secpdp).
8. A minimum GPA of at least 4.00/9-point scale (UVic B-) on the specified courses in each teachable subject area (see below).
9. Applicants must describe their learning and teaching goals, relevant experience, skill, and interest in working with youth in educative ways via supporting documents (such as a statement of intent, résumé and two reference forms). Eligible applicants may also be invited to attend an interview.

> Between September and January 2, go to [www.uvic.ca/education/curriculum/undergraduate/home/programs/secpdp](http://www.uvic.ca/education/curriculum/undergraduate/home/programs/secpdp) for application instructions and faculty selection criteria for the upcoming intake.

### Teachable subject area: Computer Science

Complete either section A or B to qualify for this teachable subject area.

Courses completed 10 or more years ago must be reviewed for currency. Currency review required? □ Yes □ No

Another approved teachable subject area must be combined with this teachable subject area. Because computer science is not taught in every BC secondary school, you may need to relocate within BC for practicum(s) during this program. If it is not possible to find a suitable practicum placement, the practicum placement will be made based on your other teachable subject area. Please circle your other teachable subject area from the following options:

- Art, biology, chemistry, English, French, general science, math, music, physical & health education, physics, or social studies.

**A. List 12 units of upper-level computer science, software engineering, or computer engineering courses** approved by UVic Education Advising.

Written English Competency

- This will be satisfied with a grade of C+ or higher in each of two approved English courses.
- Consult an education adviser if you’ve completed any English course with less than a C+ grade.
- See Faculty of Education section 12.1 in the calendar at web.uvic.ca/calendar2019-01/undergrad/education/teacher-admissions.html

☐ Satisfied with grades of C+ or higher in each of the above approved English courses.
☐ Above approved English courses are planned or in progress.
☐ Not yet satisfied with grades on the above approved English courses.

Minimum Grade Point Averages

To be considered for selection by the Faculty, you’ll need:

- An average of at least 3.00/9-point scale on the most recent 30 units attempted to December 31. This GPA will be a factor in selection for program admission.
- An average of at least 3.00/9-point scale on the most recent sessional GPA of at least 12 units attempted to April 30.
- An average of at least 4.00/9-point scale on specified courses included in the teachable subject area(s).
- Information about UVic’s grading system and a sample GPA calculation can be found at www.uvic.ca/registrar/students/policies/calc.

Grade point average conversions from other institutions and calculations are done by Undergraduate Admissions and Records upon application.

1 3.00 on UVic’s 9-point scale is equivalent to C+ (UVic 65 – 69%).
2 4.00 on UVic’s 9-point scale is equivalent to B- (UVic 70 – 72%).
