

Secondary B.Ed. Post-Degree Professional Program (September 2023* entry) Self-Assessment Form

University of Victoria Education

Guidelines for determining admission eligibility with Computer Science Questions? Contact Education Advising: adve@uvic.ca

Name:

UVic student #: <u>V</u>

*Admission requirements are subject to change for future intakes. Please watch for updates on the program website below.

Program admission requirements

- 1. Admissibility to the university. Undergraduate Admissions Services determines eligibility for admission to UVic.
- 2. An acceptable undergraduate Bachelor's degree recognized by Undergraduate Admissions Services.
- 3. 3 units of approved English literature (or English literature and academic composition).
- 4. Demonstrated competency in written English (grade requirement; see page two).
- 5. See the three grade point average (GPA) requirements described on page two.
- 6. Approved academic studies in one or two teachable subjects relevant to the BC curriculum. A list of available subjects is provided on the website below.
- 7. Applicants must satisfy the experience requirement described on the program website below. Eligible applicants may also be invited to attend an interview.
- 8. For current <u>applicant selection criteria</u>, please see the program website below. This is subject to change for future intakes; please see the program website updated annually each fall for the upcoming intake.

→ In the fall, go to the <u>program website</u> for application instructions and information for following year's September intake: <u>www.uvic.ca/education</u> (→ Our Programs → Teacher Education → Secondary Post-Degree Professional Program)

Notes

A 1.5-unit course (equivalent to 3-4 credits at most institutions) meets for at least 3 hours per week for 13 weeks (one term).

At UVic, 'upper-level' refers to 300 and/or 400-level courses normally taken in third and fourth year after introductory studies.

Teachable subject area: Computer Science

Courses completed 10 or more years ago must be reviewed for currency. Currency review required?

Another approved teachable subject area must be combined with this teachable subject area. Because computer science is not taught in every BC secondary school, you may need to relocate within BC for practicum(s) during this program. If it is not possible to find a suitable practicum placement, the practicum placement will be made based on your other teachable subject area. <u>Please circle your other teachable subject area from the following options</u>:

art, biology, chemistry, English, French, general science, math, music, physical & health education, physics, or social studies.

Provide course numbers and titles for 12 units of computer science, software engineering, or computer engineering courses approved by UVic Education Advising. Of these, at least 9 units must be 300 or 400-level.

List 9 units of 300 or 400-level computer science, software engineering, or computer engineering courses.	Name of institution where courses were taken, if not UVic	units	grade
1		1.5	
2		1.5	
3		1.5	
4		1.5	
5		1.5	
6		1.5	
List 3 units of any-level computer science, software engineering, or computer engineering courses.			
7		1.5	
8		1.5	
	☐ Minimum B- (UVic 4.00) average required on lines #1-6
