

Counseling Psychology Program Plan by Term: 2022 Cohort

This document is to provide you with an idea of what your upcoming program may look like. Please note that this is just an approximation, as there will be program variations depending on each student and their other commitments, as well as instructor and course availability. The Department of Educational Psychology and Leadership Studies may make changes to the schedule as necessary.

The project-based MA takes 2 years to complete. The thesis-based MA will typically take 3 years to complete.

You must obtain permission from the Graduate Advisor to modify the course schedule below. This permission needs to be forwarded to the Program Assistant(s) for your record. Please note that modifying the course schedule will extend your program completion date.

YEAR 1

TERM 1: Fall (Sept-Dec 2022)

- **ED-D 518:** Advanced Seminar in Theories of Counseling Psychology
- **ED-D 519N:** Diversity, Culture and Counseling

- **ED-D 599:** Thesis

YEAR 3 (if needed)

TERMS 7, 8, 9: Fall, Winter/Spring, Summer (Sept 2024-Aug 2025)

- Continuing **ED-D 523** if you are not yet done all your hours
- **ED-D 560³:** Statistical Methods in Education or replacement methods course (if not yet taken or replaced)
- **ED-D 599:** Thesis (if not yet complete) or **ED-D 598:** Project and **ED-D 597:** Comprehensive Exam (if not yet complete)
- Any other course work that is needed or wanted

¹ Thesis students take two electives. Project students take three electives. Electives may be courses from other programs or departments, selected in consultation with your supervisor based on your academic interests and career goals. To take an elective course from another program or department you will submit a [Graduate course registration form](#), with signatures from the course instructor and your supervisor.

² You may or may not start working on your thesis as early as summer of year 1. You will end up registering in your thesis in numerous terms. If you are working on your thesis in any term, then you should be registered in it.

³ Students whose thesis does not rely heavily on statistical analysis are encouraged to replace **ED-D 560** Statistical Methods in Education with a different methods course (from any department) that is more relevant to their thesis. To take a replacement course you will submit a [Graduate course registration form](#), with signatures from the course instructor and your supervisor.
