Students are expected to take courses in order according to this schedule. Any departures from this sequence, require written approval from a supervisor and an email from the student agreeing to accept probable delays to program completion while waiting for courses to be offered again in the sequence.

*Students who have strong statistical training in psychology (in the last 5 years), are encouraged to request to take ED-D 562 in lieu of ED-D560. Instructor permission will be required to waive ED-D560 and take ED-D 562 instead.
