REQUEST FOR APPROVAL OF A
NATURAL SCIENCE COURSE

The basic (natural) sciences component of the curriculum must include elements of physics and chemistry; elements of life sciences and earth sciences may also be included in this category. These subjects are intended to impart an understanding of natural phenomena and relationships through the use of analytical and/or experimental techniques.

Please use this form only to propose a course that is not on the Natural Science Course List. Submit this request to your student advisor.

The calendar description and course syllabus must be attached.

Approved Natural Science Course Lists:

Part 1: To be completed by student

Request date: ________________

Student name: ___________________________   Student Number: V00_________________

Email address: ___________________________

Course to be used as a Natural Science elective: ___________________________________________

Student’s Signature: ______________________________________

Clarification of requested course (ie. already taken, future registration, via Letter of Permission, etc.):
_________________________________________________________________________________
_________________________________________________________________________________

Part 2: To be completed by advisor

Student Advisor Comments: ____________________________________________________________
