CIVE 200 – Engineering Drawing
Term – Fall 2015 (201509)

Instructor
Dr. Ramtin Rakhsha
Phone: 250-472-5096
E-mail: rrakhsha@uvic.ca

Office Hours
Days: Tuesdays
Time: 10:30AM-12:30PM
Location: ELW A238

Course Objectives
Engineering drawing: sketching, orthographic projections, multiple views, sectional views, isometric and perspective projections, dimensions and tolerances, and working drawings. Computer aided design relevant to Civil Engineering projects.

A-Section(s): A01 / CRN 10606
Days: Tuesdays, Wednesday, Friday
Time: 9:30AM-10:20AM
Location: ECS 104

B01 Monday 16:30-19:20 ELW B220

B02 Friday 16:30-19:20 ELW B220

Teaching Assistant(s):
Name: Shan Luo
E-mail: luoshan@uvic.ca
Days: Tuesdays
Time: 1:00PM-2:00PM
Location: EOW 231

Name: Tao (Tommy) Yu
E-mail: taoyu@uvic.ca
Days: Mondays
Time: 1:00PM-2:00PM
Location: EOW 225

Required Text
Title: Engineering Graphics: A Problem Solving Approach (3rd edition)
Author: Don McAdam and Roger Winn
Publisher: PEARSON-Adison Wesley
Year: 2007

Required:
Basic tools for hand sketching and drafting
Assessment:

Note to Students:

Students who have issues with the conduct of the course should discuss them with the instructor first. If these discussions do not resolve the issue, then students should feel free to contact the Chair of the Department by email or the Chair's Secretary to set up an appointment.

Accommodation of Religious Observance

1) Where classes or examinations are scheduled on the holy days of a religion, students may notify their instructors, at least two weeks in advance, of their intention to observe the holy day(s) by absenting themselves from classes or examinations.

2) Instructors will provide reasonable opportunities for such students to make up work or missed examinations.

3) Students will cooperate by accepting the provision of reasonable opportunities for making up work or missed examinations.

4) The University Secretary's Office will distribute a multi-faith calendar to each academic unit annually.

Policy on Inclusivity and Diversity

The University of Victoria is committed to promoting, providing and protecting a positive, supportive and safe learning and working environment for all its members.

Standards of Professional Behavior

You are advised to read the Faculty of Engineering document Standards for Professional Behaviour at http://www.engr.uvic.ca/policy/professional-behaviour.php which contains important information regarding conduct in courses, labs, and in the general use of facilities.

---

1 There will be no makeup tests, exams or quizzes. If you miss a test, exam or quizzes, you will receive zero marks.
2 Late assignments or assignments that are not neat or legible will not be graded.
Cheating, plagiarism and other forms of academic fraud are taken very seriously by both the University and the Department. You should consult http://web.uvic.ca/calendar2009/FACS/UnIn/UARE/PoAcI.html for the UVic policy on academic integrity. “The University reserves the right to use plagiarism detection software programs to detect plagiarism in essays, term papers and other assignments.” Pg 32, University Calendar

Cheating, plagiarism and other forms of academic fraud are taken very seriously by both the University and the Department. You should consult entry in current Undergraduate Calendar for the UVic policy on academic integrity.

Late Assignments
No late assignments will be accepted unless prior arrangements have been made with the instructor at least 48 hours before the assignment due date.

Course Lecture Notes
Unless otherwise noted, all course materials supplied to students in this course have been prepared by the instructor and are intended for use in this course only. These materials are NOT to be re-circulated digitally, whether by email or by uploading or copying to websites, or to others not enrolled in this course. Violation of this policy may in some cases constitute a breach of academic integrity as defined in the UVic Calendar.
