MASc Program Degree Completion Steps  
Department of Electrical and Computer Engineering

BEFORE STARTING THE DEFENCE PROCESS:

REGISTRATION: MASc students must be registered in ECE 509 & ECE 599 for the term in which you defend.

Co-op: If you defend in the same term that you are on Co-op, you must be registered in a Co-op work term, ECE 509 & ECE 599; being registered in all three of these courses will require you to pay more tuition. A Graduate Student may go on a Co-op work term after their defense only if it is the final Co-op work term required to obtain the Co-op Designation.

      i. to set a date
