**HEALTH COVERAGE & INSURANCE**
The cost of health care in Canada is very high for those who do not have health insurance. Without coverage, you could be denied treatment or pay thousands of dollars each day for medical services.

As a result, in order to ensure medical issues do not cause financial difficulty or compromise academic progress, all UVic students are required to have comprehensive coverage for the entire duration of their studies.

Further health insurance information can be found below and at the following link: https://www.uvic.ca/international/inbound-students/living-canada/health-insurance/index.php.

**The Guard.me@UVic Plan**
The guard.me@UVic plan provides emergency medical insurance coverage for international students who are new to UVic. This plan covers required medical services to address new and unexpected illness or injury. Most new international students are automatically enrolled in the guard.me@UVic plan upon registration at UVic.

Please contact International Student Services with any questions by email issinfo@uvic.ca or by phone at 250-721-6361.

**Location:** Room B272, University Centre  
**Email:** issinfo@uvic.ca  
**Phone:** 250-721-6361

**The BC Medical Services Plan**
The British Columbia (BC) Medical Services Plan (MSP) covers required medical services provided by physicians, specialists, diagnostic facilities, laboratory facilities, and hospitals. If you intend to stay in British Columbia (BC) for fewer than six months, you are not eligible for the BC Medical Services Plan (MSP). All other international students must submit an application for enrolment when they arrive in BC. The application for enrolment is available online. You will receive in the mail a Non-Photo BC Services Card with a personal health number (PHN) which will allow you to access required medical services.

Visit the BC MSP website for information about benefits.

**Graduate Student’s Society (GSS) - Extended Health Care and Dental Insurance Plan**
The Graduate Students’ Society (GSS) health and dental plan provides extended coverage for graduate students. Most students are automatically enrolled in the appropriate plan upon registration at UVic. All new students are encouraged to contact the GSS to ensure they have opted in or out of the Extended Health and Dental Plans.

Complete information about the costs and coverage provided by the plans is available at the following link, http://gss.uvic.ca/health-dental/.

**Location:** Room 102, Halpern Centre  
**Email:** gsscomm@uvic.ca  
**Phone:** 250-472-4543
**HOUSING**

You have three choices when looking for housing in Victoria: homestay, on-campus and off-campus. In deciding which option is best for you, consider cost, convenience, and your lifestyle. For example, many international students choose the homestay option when they first arrive in Canada but then choose to rent a house or an apartment with roommates later once they have familiarized themselves with Victoria. You can find further information regarding housing at the following links;
