Online Course Delivery:
As this course will be conducted online during this term, students will need to complete assignments/labs online. The students will require access to a computer which has the following software installed:
  • Matlab with RTL hardware support https://www.mathworks.com/hardware-support/rtl-sdr.html
  • GNU Radio https://wiki.gnuradio.org/index.php/InstallingGR
Students will also need specialized hardware:
  • RTL-SDR software defined radio USB dongle. This hardware may be purchased directly from the ECE department technical staff or ordered online at AliExpress or RTL-SDR.com
