Title:	**25-06887 BWC-Petch Chilled Water Connector**
Location:	***Extension* Closure of Third Level of Bob Wright Elliot Connector**
Description:	Facilities Management and Aral Construction are installing chilled water redundancy and efficiency improvements between the Elliot, Petch, and Bob Wright Centre buildings. To facilitate the installation of a chilled water line connection between the buildings, we will be closing the third level of the Bob Wright Centre and Elliot pedestrian connector for the duration of the project, which is currently predicted to be approximately 5 months. The first and second interior levels of the connector will remain open.
Time frame:	June 29th through ***January 4, 2026***
