

Facilities Notice

Title:	Cunningham Mechanical installations
Location:	Cunningham Building North Wing Entrance and rooms 105,113,102,116.
Description:	<i>Facilities Management and Aral Construction will be installing/connecting the overhead heaters and chillers in the Cunningham corridor and adjacent rooms over the weekend to minimize disruptions and congestion in the corridor. No action should be required other than avoiding any control zones set-up by the workers. We apologize for any disruption this work may cause.</i>
Time frame:	September 26 & 27
