Title: South Tower Residence (#241)

Location: Throughout

Description: **FMGT and Aral Construction have coordinated to perform repairs to the building heating system during reading week. Workers will be in the building for extended hours to complete everything in one-week. The boiler will be shut down each morning while repairs are made and then turned back on each afternoon, so the building does not get too cold each day/night.**
We apologize for any inconvenience this causes.

Time frame: February 17th – 20th
