Title:	25-06847 - Biosafety cabinet Seismic Upgrades – Hazmat Sampling
Location:	Cunningham, Medical Sciences, Petch, Bob Wright Centre
Description:	Suave Safety will be taking hazmat samples in various rooms for the Biosafety seismic bracing project. Only 5-10 minutes will be needed in each room to take samples of floor or ceiling spaces. Sampling consists of cutting/scraping off off a couple grams of material within the room. If the room is busy at the time of the visit, the consultant can revisit. Please contact Project Manager for any scheduling concerns around timing of these activities.
Time frame:	Tuesday, May 5, 2026, 9:00AM – 11:30AM Cunningham rooms: 023, 040, 056, 066, 065, 161, 162 Medical Sciences: 250g Petch: 222, 270d BWC: 213A, B312
