

Facilities Notice

Title: 25-06713 SHD Dishwasher Exhaust – RCH 136 Work

Location: RCH 136 (storage area)

Description: Playsted Sheetmetal will be performing work off a ladder on mechanical equipment at RCH 136. The work will include updates to controls and relocation of the exhaust fan control panel by a few feet for easier access.

For any concerns, please contact the Project Manager identified below.

Time frame: Tuesday, May 19th, 2026 **11:59AM-5:00PM**

FMGT contact: Harman Brar, Project Manager
