

Facilities Notice

Title:	Cunningham concrete coring
Location:	Cunningham Building - North Wing (rooms 102, 110, 004,012)
Description:	Facilities management is coordinating with Aral Construction to core holes through the concrete slab separating levels 0 & 1 as part of a laboratory renovation. The work will be noisy and may disturb people in close proximity. We apologize for any inconveniences this may cause to building users.
Time frame:	Intermittently on Thursday June 25 & Friday June 26th
FMGT contact:	Cort Zawalek, Project Manager
