Title:	Engineering Expansion Project – ECSE Integrated Systems Testing
Location:	ECSE throughout – sounds will be heard in ECS
Description:	In support of the Engineering Expansion Project, Bird Construction and team will be performing integrated systems testing with the new ECSE building. This testing is an important milestone to ensure that building systems are effectively working together. There may be some alarm bells heard in the existing ECS building, associated with that testing.
Time frame:	Tuesday, July 14, 2026: 9:30am – 1:00pm
