

Facilities Notice

Title:	Engineers Tour of four RESS building roofs
Location:	Lam Family Housing #38 (building 200) Lam Family Housing #39 (building 201) Tower Residence #41 (building 231) George & Rae Poole House (building 157)
Description:	Engineers from Stantec Consulting will be performing inspections of the roofs and equipment of four residential buildings to provide assessment reports. Their presence may cause minimal disturbance to building occupants as we access through the corridors and footsteps may be heard from the top floor.
Time frame:	Tuesday, July 28, 2026, 11:00am - 1:00pm
