Title: Petch – Solar Film Window Installation

Location: Petch Building – Various Labs

Description: In an effort to improve temperature conditions in the Petch Building, FMGT with Sun Shade Film Systems will be installing solar film on the windows of select labs. The film will be applied on the inside face of the glass.

We ask that you clear off anything that can be readily moved from work surfaces directly in front of the windows to facilitate the installation for the day scheduled (see below).

We apologize for any inconvenience this may cause.

Time frame: Wednesday, August 5, 2026 – Saturday, August 8, 2026

Room #	Date
Petch 145 & 225	August 5, 2026
Petch 153C, 246 & 251	August 6, 2026
Petch 270	August 7, 2026
Petch 270 (if needed)	August 8, 2026
