| <b>Title:</b>         | Cornett Indigenous Cultural Space (COR ICS)                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                           |
| <b>Location:</b>      | Cornett Building, A169a-f and A171                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                    |
| <b>Description:</b>   | <p>Canadian Environmental Ltd., in coordination with Facilities Management, will be conducting selective demolition and hazardous material abatement in Cornett A-Wing, Rooms A169a-f and A171.</p> <p>Temporary hoarding will be installed along the A-Wing corridor to secure and seal access points to the site area. The corridor will remain open and accessible as usual.</p> <p>During this work, dust and materials will be controlled at the source and air quality will be monitored daily. Workers will be equipped with appropriate personal protective equipment (PPE). There is no risk of exposure to the general public outside of the designated work areas.</p> <p>Please note, intermittent impact noise is expected during demolition activities.</p> <p>We apologize for any inconvenience this may cause and appreciate your understanding.</p> |
| <b>Time frame:</b>    | August 12, 2026 approximate start of hoarding installation<br>August 17 – 28, 2026 approximately for noisy work                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       |
