

Facilities Notice

Title: Cornett A169 & A171 – Abatement and Demolition – Daily Sprinkler Drain Downs

Location: Cornett Building – First Floor, All Wings

Description: Facilities Management will be working with Canadian Environmental and their subcontractors to abate and renovate areas of interior spaces in COR A169 and A171.

As part of this work, FMGT Plumbing and Electrical Shops will be performing daily shutdowns of the Level 1 fire sprinkler system between the hours of **7:00am and 4:00pm** daily (Monday to Friday). These shutdowns will deactivate the fire sprinkler system on Level 1.

The fire alarm is expected to remain operational on Normal AC power.

Building occupants should pull the fire pull stations and exit the building immediately in the event of a fire emergency during these shutdowns.

Time frame: Friday, August 14, 2026 through Friday, August 28, 2026 approximately

FMGT contact: Kim Frechette, Project Manager on behalf of Melissa Freeman
