| <b>Title:</b>         | Cornett Building – Partial Roof Replacement                                                                                                                                                                                                                                                                                                                                                                                                                                                                           |
| <b>Location:</b>      | Cornett Building: A-Wing, B-Wing and Walkway Roofs                                                                                                                                                                                                                                                                                                                                                                                                                                                                    |
| <b>Description:</b>   | <p>Facilities Management is preparing for the partial roof replacement of the Cornett Building from September through to November 2026. A-Wing, B-Wing and the pedestrian walkway roofs are targeted for replacement during this time. This third phase will mark the completion of the replacement of the building's roof.</p> <p>There is a bidder's site walk scheduled for Thursday, August 20 from 10:00am to 11:00am. At this time, we will be accessing the various roof areas with potential contractors.</p> |
| <b>Time frame:</b>    | Thursday, August 20, 2026, 10:00-11:00am                                                                                                                                                                                                                                                                                                                                                                                                                                                                              |
