Facilities Notice

Title: Cunningham Hazmat Abatement

Location: Cunningham building #140 – Mechanical room 306

Description: Facilities Management and Canadian Environmental will be removing a 12” long piece of pipe insulation that has hazardous materials included in the mastic. The contractor will construct a ‘glove-bag’ around the pipe so that there is no safety hazard to others. Please do not enter any control area they may set-up or tamper with their glove-bag while it is installed.

Time frame: Thursday, August 20, 2026
