

**Title:** Electrical infrastructure in ELW B-Wing corridor

**Location:** Engineer Lab Wing – First-floor, B-Wing

**Description:** Facilities Management and JCR Electric will be adding new electrical infrastructure from the main distribution room to electrical closet B128. We apologize for any disturbances this work may cause. Every effort will be made to keep corridors tidy and clear.

**Time frame:** September 10<sup>th</sup> - 19<sup>th</sup> 2026
