

Facilities Notice

Title: Cunningham casework deliveries **UPDATE**

Location: Cunningham Building Room 102, 116, & North Wing Entrance

Description: *Facilities Management and Aral Construction will be receiving delivery of the cabinets and workstations for the Cunningham Biology Lab renovation. Access at the north entrance will be temporarily reduced as items are unloaded from trucks and brought into the building.*

UPDATE: Due to delivery complications, Friday September 11th has been added to the delivery schedule. To minimize disruption to student traffic, the unloading will begin at 5:00am.

UPDATE: Note that the supplier's crew will be working extended hours to unpack and assemble the workstations. Please expect to see workers in this space daily from 5:00am-7:00pm until complete.

Time frame: September 8th **September 11th**, & September 14th
