Title: Elliott Building – Antenna Maintenance

Location: Elliott Building – Rooftop

Description: The UVic Propagation Laboratory, are working on decommissioning an existing antenna located on the rooftop of the Elliott Building. A new antenna system will be installed at the existing location. The work scheduled for this weekend entails disassembling the existing antenna assembly and lowering all pieces down through the building and out for disposal. The teams will be moving through rooms 502 and 503.

Please contact the Laboratory Manager for the UVic Propagation Laboratory (lbuzas@uvic.ca / 250-721-1754) for any concerns or questions. We apologize for any inconvenience this work may cause.

Time frame: Friday, September 11, 2026 – 10:00am – 5:00pm

FMGT contact: Levente Buzas, Laboratory Manager
