

Facilities Notice

Title:	Elliott Building Physics Lab Reno – Second Floor Compressed Air Disruption
Location:	Elliott Building – Second Floor
Description:	Facilities Management along with the contractor will be temporarily shutting off the compressed air line serving the second floor of Elliott to allow air tie-in for the project space. During this time, there will be no compressed air on the second floor. For any questions or concerns, please contact the Project Manager listed below.
Time frame:	Friday, September 25, 2026, 6:30am-9:00am
