

Facilities Notice

Title: Elliott Building – Loading Bay Work

Location: Elliott Building Loading Bay

Description: The contractor, CGI, and their subtrade will be working off ladders at the bottom of the loading bay to remove a piece of ducting on the exterior of the first floor.

This time was chosen because no known deliveries are scheduled; however, **if you do have a delivery scheduled for this time frame, please contact the Project Manager listed below.**

Time frame: Friday, September 25, 2026, 6:30am – 9:00am
