

Facilities Notice

Title:	Engineering Expansion Project – possible Ring Road traffic impact
Location:	Ring Road in front of Engineering Expansion construction site
Description:	Bird Construction will be moving their site trailers around on the Engineering Expansion site, to facilitate the continued work on the High Bay Research and Structures Lab building and landscaping. Please be advised that there will be impacts to traffic on Ring Road in front of the Engineering Expansion construction site. There will be two traffic stoppages which would be under 10 minutes each.
Time frame:	Sat. Oct. 17: between 7am-4pm
