

Facilities Notice

Title:	Engineering Lab Wing – Electrical Shutdown – B-Wing
Location:	ELW – First-floor, B-Wing
Description:	<p>Facilities Management and JCR Electric will be adding new electrical circuits into a panel and require a localized one-hour shutdown.</p> <p>The shutdown is expected to affect Room B126 and nearby HVAC fans only. Due to the short duration, no temperature changes are expected.</p>
Time frame:	Tuesday, November 10, 2026, 9:00am-10:00am
