Title:	Engineering Expansion Project – **ECSE Lighting Controls testing**
Location:	ECSE building throughout
Description:	In support of the Engineering Expansion Project, Bird Construction and project Consultants are conducting functional testing of lighting control systems, to ensure systems are operating effectively. This could result in lights turning on and off. We appreciate your patience while this work is underway. This work will occur in early morning, prior to scheduled classes.
Time frame:	**Wed. Nov. 4, 2026:** 6:00 – 8:00am
