Title:	Bob Wright Centre Steam Boiler Shutdown
Location:	Bob Wright Centre – Mechanical room B024
Description:	**Facilities Management and Carmichael Engineering will be replacing the failing equipment that pre-treats the water for the steam boilers used for the BWC autoclaves. During the replacement process, the steam boilers will not be operational for a two-week period, and we apologize for the inconvenience this will cause.** **Sanitization of equipment may need to occur in alternate buildings or other methods of sanitizing will be required.**
Time frame:	**UPDATED: November 30th – December 11th**
