Title:	Trip Hazard grinding
Location:	Various locations near Northeast corner of Ring Road
Description:	The contractor (Blackrete) is grinding trip hazards around campus per the map attached. Noise level will be similar to a jackhammer and will take about 30-60 minutes per location. Grinding near the Accessibility centre will occur when exams are not in progress. Please contact Project Manager for any scheduling concerns and if there are any times where grinding at a location should be avoided.
Time frame:	Monday, March 23 – Wednesday, March 25, 2026: 7:00am-7:00pm
