

Facilities Notice

Title:	Cornett Indigenous Cultural Space (COR ICS) – Contractor Walk-through
Location:	Cornett, A169a-f and A171
Description:	Facilities Management will be conducting a pre-construction contractor site walk-through in Cornett A-Wing, Rooms A169 and A171. The purpose of this visit is to familiarize proponents with the project area and existing site conditions. During this time, minimal noise disruptions may occur in the COR A-Wing corridor. Please note that this visit is strictly observational and no construction work will be performed. The corridor will remain open and accessible as usual throughout the site walk-through. Thank you for your understanding.
