Title:	Engineering Expansion Project ISC Field House ramp reconstruction
Location:	ISC Field House – South Entrance via Tennis Courts
Description:	<p>In support of the Engineering Expansion Project, Bird Construction and FMGT Project Management Services will be reconstructing the ramp into the Field House south entry (large entry with overhead doors). This work is done in support of the Engineering Expansion project to enable safe transport of construction and finishing materials to be stored in the Field House during the project's construction.</p> <p>This Field House entry will be closed while the ramp construction is underway. The side door will remain accessible.</p>
Time frame:	Thursday, February 20 – Friday, February 21, 2025
