

## FACILITIES MANAGEMENT

Saunders Building

PO Box 1700 STN CSC Victoria BC V8W 2Y2 Canada

---

**Title:** Elevator Testing and Servicing

**Location:** Engineering Lab Wing (Freight Elevator #40)

**Description:** Regulatory testing and servicing on ELW Freight Elevator #40 are required which will cause the unit to be out of service during this planned work.

**Available elevators for the building:**

Elevators #54/55 in the ECS building lobby will be available and may be used to access ELW level 2 for light duty items.

Freight Elevator #1 in the ELW mechanical room will be available for loading dock access.

**Time frame:** Tuesday, April 8th – 7:00 AM until approximately 3:00 PM.
