

FACILITIES MANAGEMENT

Saunders Building

PO Box 1700 STN CSC Victoria BC V8W 2Y2 Canada

Title: David Strong Building - DDC Panel Upgrades Project - Air Handling Unit Shutdown

Location: David Strong Building - Mechanical Room/Building Ventilation Systems

Description: Facilities Management is working with SRD Controls to complete upgrades to the DDC that will impact the building ventilation systems.

This is to notify occupants of the David Strong Building that heating and ventilation systems will be off-line while the contractor performs their work Tuesday, February 22, 2022 through Friday, February 25, 2022, daily from 7:00am to 3:00pm.

Occupants of the building during this time will experience lower than normal temperatures.

We apologize for any inconvenience this may cause.

Time frame: Tuesday, February 22, 2022 - Friday, February 25, 2022 (Reading Week)
