

## FACILITIES MANAGEMENT

Saunders Building

PO Box 1700 STN CSC Victoria BC V8W 2Y2 Canada

---

**Title:** Mystic Vale - New Well Sites - Notification of Construction

**Location:** Adjacent to University House 4

**Description:** Facilities Management is working with Drillwell Enterprises to get two (2) wells drilled that will be used for teaching by the School of Earth and Ocean Sciences.

The project is part of the Gleeson Research Program, funded by the Canada Foundation for Innovation, through UVic's Department of Civil Engineering. The project involves drilling two research wells on the University Campus. This will expand the University's research capabilities and teaching opportunities and will provide new insights into the bedrock under Campus.

The construction work will be noisy and we apologize in advance for any disturbance this may cause.

**Time frame:** October 3<sup>rd</sup> to October 21<sup>st</sup>, 2022 - 8:00am to 5:00pm
