

FACILITIES MANAGEMENT

Saunders Building

PO Box 1700 STN CSC Victoria BC V8W 2Y2 Canada

Title: MacLaurin – Rogers Cellular Installations

Location: MacLaurin Building A-Wing

Description: Facilities Management will be working with Roger's and their contractors to install cellular antennas on the roof of the MacLaurin Building A-Wing. This includes delivering materials by crane to the roof of the MacLaurin Building the morning of March 11, 2025.

A safety zone will be clearly identified and access to this area and the southeast building entrance will be restricted while materials are being unloaded.

Pedestrian traffic will be altered. Please respect directions of safety officers during this activity.

Time frame: March 11th to March 28th, 2025
