Facilities Notice

Title: Site Pathway Material Sampling

Location: Site Pathways – two locations as shown on attached map

Description: Facilities Management has retained Northwest Environmental to collect material samples from two locations along the pathways near the Sedgewick and Fraser Buildings.

Workers will be wearing protective clothing and respiratory protection in accordance with WorksafeBC safe work practices. The work area will be cordoned off with barriers to protect the public and signage in place indicating the nature of the exposure risk.

Time frame: Saturday, January 20, 2018, 10:00 AM to 11:30 AM

Facilities Management contact: Terry Moen, Project Officer
