Facilities Notice

Title: New Service Building - Scheduled Electrical Power Shut Down
Further Clarification on the Power Outage

Location: Behind SAU New Service Building - Solvent Storage Shed, Fueling Station and Grounds Sheds

The power outage specifically and only applies to: the New Service Building, Solvent Storage Shed, Fueling Station and the Grounds Sheds – all located behind the Saunders Building.

Description: Facilities Management will be working with the contractor relocating control and power circuits to connect permanent power supply to the Solvent Shed and Fueling Station.

It is recommended that vehicles be filled up before 4:00 pm on Thursday, January 25th, 2018.

Time frame: Friday, January 26, 2018 between 7:00 am and 3:00 pm (approximately 8 hours)
