Title: Saunders Workshop #1 Seismic Upgrade - Construction Work Zone

Location: Parking Lot 12 (see attached sketch)

Description: Facilities Management and Perma Construction will be placing 2 steel containers close to the Workshop SA1 building, in order to collect materials stripped from the roof.

Up to 6 parking stalls in Lot 12 could be impacted. The containers will be removed before the end of the day.

Time frame: Tuesday, February 13, 2018
