Title: Various Building Elevators – Minor Upgrades – UPDATE 2

Location: MacLaurin A Wing Elevator 27 (Accessible Lift)

Description: Facilities Management will be working with West Coast Elevators and Belltech Electrical to install an emergency phone in the accessible lift #27 located in MacLaurin A Wing. Belltech Electrical will be installing a communication line to the elevator. This installation will require intermittent drilling into concrete during the time noted below.

Time frame: Tuesday, February 20, 2018 from 6:00am to 8:00am
