Title: 17-02910 MacLaurin Building Student Services Centre Renovation – Crane Truck

Location: North side of MacLaurin A Wing (See attached sketch)

Description: As part of the interior renovation work on the MacLaurin 2nd Floor A-Wing, Facilities Management and Aral Construction will be craning materials to a second floor window. A small crane and material truck will be positioned on the north side of the A-Wing. A safety zone will be in place and access to the Mac’s Bistro north entrance will be restricted during the lift. (See attached sketch).

There may be increased noise levels during this work. Please respect the directions of safety officers and signage during this activity. Pedestrians are directed to use alternate entrances during the work.

Noisy after hours work within the building to be performed between the hours of 4:30 pm and 6:30 pm on March 22nd and 4:30 pm and 10:00 pm on March 23rd.

Time frame: 
- **Crane Truck**: March 22, 2018, 10:00 am to 4:00 pm
- **Interior Work**: March 22, 2018, 4:30 pm to 6:30 pm and March 23, 2018, 4:30 pm to 10:00 pm.
